

Accelerated Intermediate Academy

"The school where every challenge becomes a mission accomplished"

Accelerated Intermediate Academy (AIA) is an open-enrollment public charter school serving families in Houston and East Texas. AIA is committed to providing students with the tools to become productive citizens through a stimulating and challenging curriculum, delivered through problem-solving instruction in a multicultural environment that develops literate, self-disciplined, and confident young people.

Our Mission

A strong educational foundation develops minds and builds character. The primary mission of AIA is to provide students with the necessary tools to guide them to become productive citizens through a stimulating and challenging curriculum.
